Tour Summary

Our Kenya & Tanzania Birds & Big Game tour offers undoubtedly some of the finest birds and mammal viewing on the planet. The staggering richness in diversity of birds and mammals in these two countries is due to their wonderful array of habitats and the National Parks that protect them. Along with stunning lodges, great food, wonderful scenery, comfortable climate, good photographic opportunities, this trip is simply a must!!! Please see below for the incredible highlights we experienced on this tour.

Our tour started off in Arusha, Tanzania. Here we all met up at our splendid lodge situated on the lush, forested slopes of Mount Meru. It was a delight to bird around the gardens of the lodge and we picked up a great number of species. Star sightings included great views of African Black Duck, elusive Green Malkoha, a stunning male Klaas's Cuckoo posing for scope views, fabulous Malagasy Pond Heron, Little Sparrowhawk, Crowned, Trumpeter and Silvery-cheeked Hornbill, Brown-hooded and Giant Kingfisher, White-eared and Brown-breasted Barbet, Golden-tailed Woodpecker, Black-throated Wattle-eye, smart Orange-breasted Bushshrike, Black Cuckooshrike, Stripe-faced, Little and Grey-olive Greenbul, Kenrick's Starling, Ruppell's Robin-Chat, Collared Sunbird, Taveta Weavers building their nests and elegant Mountain Wagtail.
